Champagne and flowers. Learn how to create a beautiful floral gift together. Based on a palette of Spring whites, pinks and pastels, course tutor Lady Cecilia - a trained florist who has worked with various high end Chelsea florists and currently does the shoot flowers for local estates will show us how to make:

- 1) BEAUTIFUL HAND TIED BOUQUETS using the classic spiral technique. The spiraling of stems into a hand tied bouquet is one of the most important floral skills to master and is perfect for making gifts bouquets as well as posies and vase arrangements in your home. You will learn different looks for hand tied bouquets all using the same skill but creating very different effects. . Suitable for all abilities
- 2) LUXURY EASTER TABLE DECORATION MASTERCLASS Enjoy assembling your choice of Spring flowers and take home your work which will enhance any Easter table for your friends and family.

Bubbles and bites on arrival... coffee and Easter Biscuits when it's over! Places cost £35/head which includes all your materials and your beautiful wares to take home. I only have space for 6 each day so please let me know if you can make it! Pre-payment is necessary via cheque, card or BACS. Please PM or email me on waterers@heavy-horses.net.
